

# FrostFit 2015 - Parking Map

Though we have tons of parking at CrossFit Winnipeg, we are expecting A LOT of cars this weekend, and it's entirely possible that we might run out of space, so we highly recommend car pooling if you can. Here's a map of where parking will be allowed. Please respect the speed limit in the yard it is 15KPH and remember that you may not park where the Arnold Bros Trucks are stationed.
